

Handling the most demanding matters

A LARGE TELECOMMUNICATIONS CLIENT SELECTED STRATIFY FOR A MASSIVE DOCUMENT PRODUCTION:

- Myriad file formats were collected from 300 different custodians over a five-week period.
- Within three days 500 attorneys each began examining an aggregate of 125 documents per hour.
- More than 1,000,000 pages were added to the database every day.
- The total document universe was 50 million pages.
- The attorneys finalized their review and produced documents in a mere eight weeks.
